

Dear participants!

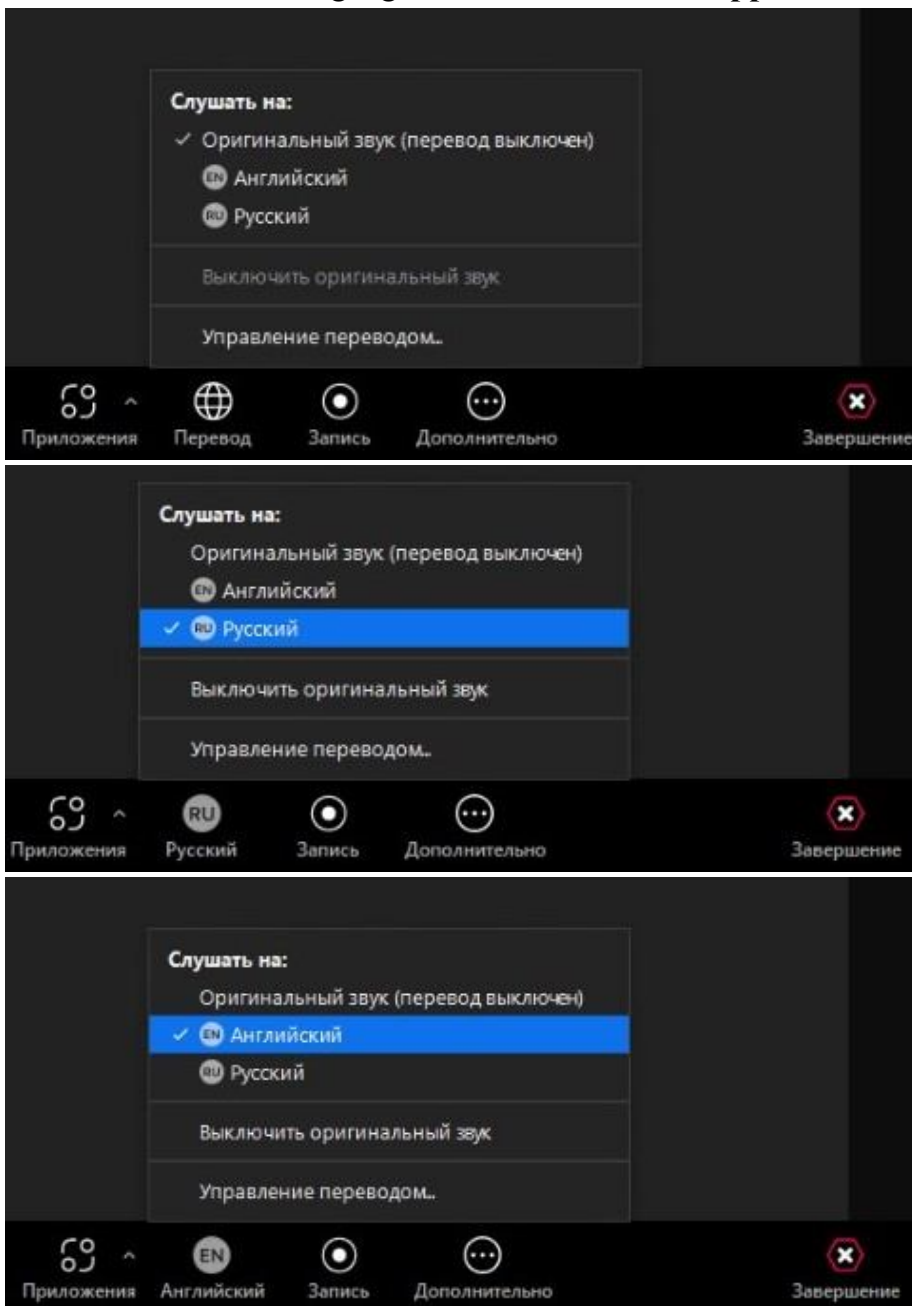

We are pleased to offer you the opportunity to use simultaneous interpretation during this conference. You can choose the audio channel with the language that is most convenient for you.

Please follow the steps below to connect to **the audio channel of your choice**:

1. Click on **the Interpretation tool** in the Conference Control Panel;

2. Select the desired language from **the menu that appears**;

If you prefer to listen to the interpretation only, activate the **“Turn off original audio”** option.
